TOUR MTI 05

Tour Montenegro / Hiking in Prokletije mountains

Introduction: Spectacular landscape, beautiful mountains, scattered valleys. Toponymy ~Prokletije~ means ~the accursed mountains~. According to the local legend Prokletije mountains are created by the devil himself, unleashed from hell for a single day of mischief. The character of the terrain is reflected in such exotic named peaks as Ocnjak (fang) and Karanfili (carnations). Few are who were hiking Montenegro's mountainous border with Albania.
